

## CHANGES TO VISITING

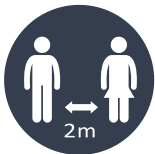

Visiting is limited to two people per patient.

Visitors who have tested positive for COVID-19, are showing signs of COVID-19 or are feeling generally unwell should not visit our wards.

A face covering must be worn at all times on our premises, unless you are medically exempt.

Please remember to stay two metres apart from the person you are visiting.

Thank you for your understanding.

Visiting hours may be subject to change and there may be some flexibility.

Our Patient Advice and Liaison service (PALS) can help patients, families and carers with questions, comments or concerns about NHS services. If you need advice about our services, facilities or staff, or would like to make a comment, please contact PALS on [sc-tr.pals@nhs.net](mailto:sc-tr.pals@nhs.net) or 01273 242292.
