
**Certificate of Carbon Footprint
Verification 2017/18**

This certificate is to certify that

Sussex Community NHS Foundation Trust

has been assessed and judged to meet the principles for reporting Carbon Footprint under the guidelines of the Greenhouse Gas Protocol Corporate Accounting and Reporting Standard for the 2017/18 emissions inventory.

The scope of this Greenhouse Gas Protocol covers:

The accounting and reporting of greenhouse gas emissions covered by the Kyoto Protocol for emissions from purchased electricity and heat. Additionally, the optional reporting of emissions from indirect sources including transport and water.
