

**“FRIENDS OF
THE KLEINWORT CENTRE”**

The Kleinwort Intermediate Care Centre in Haywards Heath is very highly regarded locally for the excellent work it does in providing support for patients following an acute illness, or after surgery, and to prevent a patient’s admission to hospital. In addition to the 31- bed unit at the Kleinwort Centre, Community Teams, based at the Centre, visit people at home.

In 2013, the “*Friends of the Kleinwort Centre*” was established to support the staff in their work.

Among other things, the aim of *The Friends* is to:

- Supplement the services of The Kleinwort Centre for the health, welfare and comfort of the patients by the provision of additional facilities and equipment;
- Provide, or assist in the provision of, extra amenities in the hospital for patients and staff.

If you would like to help, please complete the form overleaf to indicate your interest in enabling this venture to grow into an effective means of enhancing the important work of The Kleinwort Centre.
