Join the celebration of excellent care in Surrey and Sussex by nominating a nurse / care giving team or an individual nurse, student nurse, health visitor, midwife or care giver for the Proud to Care Awards 2014.

You can nominate a team or individual for an award that celebrates their contribution to exceptional care. There are six categories to recognise the ‘6C’ core values -

- Care
- Courage
- Competence
- Compassion
- Communication
- Commitment

Individual award nominations must be for a qualified or student nurse, health visitor, midwife, or a care giver in any care setting – acute, community, primary, council or private.

Teams can be made up solely of the above or any combination of these and others who form part of a wider multi-disciplinary team.

Nomination form including award criteria can be downloaded from:
www.england.nhs.uk/south/south/ss-at/

The closing date for nominations is 20 January 2014.

Nominations will be judged by a panel of Nurse Leaders from across Surrey and Sussex. The awards will be presented at the Proud to Care Awards Ceremony on the evening of Friday 28 March 2014 at the Copthorne Hotel Effingham Gatwick.
