

JUBILEE DENTAL CENTRE

I was so nervous and teary when I first came to you
But between you all I really changed my view
You were all so kind and gentle with me
My fears disappeared as you all could plainly see
Which was all down to all your help and care
I could not have had better treatment anywhere.
So Thank you Nick, Clare, Joshua, Lindsay and your
receptionist too,
I am so happy to have met all of you.
