

## What do I do now?

If you are registered with a GP in Worthing you can phone 01903 703540 to book an assessment, self-refer online at [www.sussexcommunity.nhs.uk/ttt](http://www.sussexcommunity.nhs.uk/ttt) or speak with your GP.

Calls to 01903 703540 are answered from 9am till 5pm Monday to Friday. You can leave a message on our answerphone out-of-hours. Please leave your name and contact number and we will call you back as soon as possible.

## What will happen when I call?

- We will ask you a few questions such as your name, address and contact details
- We will arrange a time for a telephone assessment, if we think we can help
- We will post or email you information and a few questions for you to think about before your assessment
- We will tell your GP you have contacted us

## What will happen at the assessment?

We will discuss confidentiality, the difficulties you are having and treatment options. We will agree what happens next.

## If you are at risk of harming yourself or need urgent help

Time to Talk is not a crisis service. Therefore:

- **Contact your GP immediately**
- **Go to A&E** – in an emergency, or outside of office hours
- **Call The Samaritans**  
24 hours a day on 116 123
- **Or call Sussex Mental Health Line**  
Phone 0300 5000 101  
If you live in West Sussex you can call 24/7.  
If you live in East Sussex or Brighton & Hove you can call 5pm-9am weekdays and 24 hours a day at weekends and bank holidays.

## Get the best from your NHS

Our patient advice and liaison service (PALS) can help patients, families and carers with questions, comments or concerns about NHS services. If you need advice about our services, facilities or staff, or would like to make a comment, please contact PALS at:

## About Time to Talk

We are the talking therapies service run by Sussex Community NHS Foundation Trust. We serve the population of West Sussex.

Talking therapies can really help you with anxiety and depression.

We offer a free and confidential service to people aged 18 and over who are registered with a local GP.

Our counsellors and therapists are available at local centres and GP surgeries and telephone work is also provided.

If you are registered with a GP in West Sussex you can refer yourself directly. You don't have to come via your GP. Read on for details.

## How we do this

### Guided self-help

For people with mild to moderate depression or anxiety. Based on cognitive behavioural therapy (CBT), a way of looking at how your thoughts and behaviours influence your moods using self-help materials. We provide:

- Individual sessions over the phone or face-to-face
- Booklets, recommended reading and online learning

### Group courses

We provide courses and workshops to give you skills and strategies for living well.

### Information

We can point you towards other organisations, services and websites. We can tell you about local wellbeing services to help you with exercise, diet and health.

### Employment advice & support

We can support you to stay in work or resolve work problems. We can also support you to get back into work.

## Talking therapies

For people with moderate to severe anxiety or depression.

### Cognitive behavioural therapy (CBT)

Helps people with anxiety, depression and other problems. Focuses on how your thoughts and actions influence the way you feel. Offers skills and strategies to help you improve your mood. We provide:

- A ten-week group course
- Individual sessions with a therapist
- Mindfulness-based cognitive therapy (MBCT)

### Counselling

Talk with someone who can listen and support. Explore and understand why life is difficult and work together to achieve change. Can help with:

- Depression
- Family and relationship difficulties
- Coping with the consequences of abuse, injury or illness
